PROFILE SUMMARY

As a third-year student pursuing a degree in B.Tech CSE with specialisation in Full Stack Development, I am excited to apply my academic knowledge and skills to a professional environment. I have gained a strong foundation in MERN Stack (MongoDB,Express,React JS and Node JS) through my coursework and projects. During my time at university, I have actively participated in Many Hackathons and I enjoy learning new technologies and am always eager to expand my skill set.
